Dear Organizations,

On behalf of the Public Enterprise for National Parks of Montenegro and in my own name I would like to express my gratitude for the cooperation with you and your organization which in the past period, in cooperation with Montenegrin ornithologists, have implemented numerous activities with the aim of preservation, protection and promotion of the rich ornithological heritage of the Ulcinj Salina.

Through joint activities as well as exchange of knowledge and experiences regarding protection of biodiversity of Ulcinj Salina you have given your sincere contribution to the establishment and strengthening of cooperation with Montenegrin experts.

We are particularly pleased with the good results of monitoring the Bird Species (*Coracias garrulus*) as well as with all the information you are able to share with us.

The National Parks of Montenegro are at your disposal for all the activities that will follow and in that direction we will support you in the research of the natural heritage of Ulcinj Salina.

With respect,

Elvir Klica
Director
National Parks of Montenegro
